

### ACROSS

- A different point of view sounds like the trooper is deficient somehow.
- Fuel oil found in Geordie's Elan!
- Sticking together, we can make a do shine.
- Light study confuses topics.
- Stern over Mach.
- Sounds like the Scots radio station has stopped broadcasting. It's their business.
- Two fat ladies, a source of radiation.
- A method for this set of connected things.
- Wine found in Río Jacaboa.
- The rhythm of a lentil, perhaps.
- Checking out the shell.
- Neeps in the North country.
- Police inspector loses

- his head about being untidy and disorganised.
- Muslim warrior found in increasing haziness.
- Of the group, sounds like a name for a pawnbroker's sign.
- Avoid familiarity for the amount of space between two places.
- Portrayed by an artist, plastered.
- Having mass, a topic of consideration.

### DOWN

- The state of your TV screen?
- Professional body, in case.
- Hangs about a monastery losing \$100.
- Noble and strange.
- Power arranging drop tie.
- About ££, it is not Cain

- making a flash.
- Supple and graceful and so slim around.
- You need a couple of these old coins to make a King.
- In camping unit.
- Can you name an 80's prog rock band?
- Metal in a sting.
- Gundog loses 500 to find the person who turned off the alarm.
- That's one in your face.
- Arrange to meet the designer.
- Sounds like my old Ford has a turning motion.
- Lost in fire, Gus never went to the Moon.
- 500 dead over what was done to get the total.
- Statute is an agreement with a penny off the top.
